Phillip/Luke,

Thank you for the information. My travel preparer has already created my TA with flights and a hotel at per diem rate. We will add a vehicle on the TA tomorrow along with the appropriate funding string.

Thank you
Dan

Dan needs his travel preparer to do his travel. I can only do regions 8 travel. There is a cross funding label in the packet that needs to be added to your TA in the accounting section. If your travel preparer needs any help please give me a call.
